MEMORANDUM FOR: Mr. James Angleton
Chief, CI Staff

SUBJECT : Exchange of Administrative Officers

Jim:

25X1A

I have been advised that you find [REDACTED] acceptable as your Administrative Officer in order that [REDACTED] might obtain overseas experience. I appreciate very much your promptness in acting on this.

I realize the inconvenience of changing Administrative Officers, particularly in your business, but if we are to give deserving people the chance they need to round out their experiences and compete for promotions on a par with everyone else, I don't know how to avoid it. In any case, [REDACTED] has had an overseas tour and we should not have to bother you again for some time.

25X1A

Thanks again.
